
The perfect holidays for your family

At Beachcomber Resorts & Hotels, we have thought of everything to make your much-awaited family getaway an unforgettable one: leisure time for parents, fun and recreation for teens, a world of amusement and discovery for children, and plenty of precious moments to share with your loved ones.

With Beachcomber's unique and exclusive pricing policy, families can afford quality time without the financial strains that usually come with family holidays. While special kids' prices apply to children up to 12 years old in most Mauritian resorts, at Beachcomber we have extended this age limit to 17. As such, the all-inclusive optional packages as well as the "Full Board Plus Package" are completely free of charge for kids up to 5 years old and available at reduced rates for those up to 17 years old.

For our guests' ultimate comfort, Beachcomber offers an extensive choice of rooms. Kids can thus stay in their parents' room or enjoy their own freedom in connecting bedrooms, as they wish. All the hotels offer a range of suites, apartments or villas perfectly designed for families, with two separate bedrooms and bathrooms.

However, children are likely to spend little time in their rooms. A wide selection of outdoor activities awaits them, from treasure hunts to excursions, beach games and small-line fishing. Under the supervision of our dedicated staff, they will set out to discover the local culture, the wildlife and Mauritian cuisine. The Kids Club will be their favourite place-to-be, where they can have fun and learn new things through a variety of games and creative workshops.

Each Kids Club is unique. For instance, at Royal Palm Beachcomber Luxury, the Kids Club is set in a plantation-style house with a private splash pool; at Dinarobin Beachcomber, it reflects the typical charm of a Mauritian beach house with a lovely wooden deck on the beachfront; and at Mauricia Beachcomber, it is decorated in the style of a traditional Mauritian classroom.

As for teens, they can indulge in a variety of land and sea activities, such as water-skiing, snorkelling, kayak, tennis and biking. In some Beachcomber resorts, they can enjoy the private setting of the Teens Club to socialise with teens of the same age and participate in fun activities, such as the making of short holiday movies to bring home.

And parents are not forgotten! To experience total freedom and peace of mind during their holidays, they can leave their children with the skilled and caring baby-sitters for the whole day or evening.

About Beachcomber

Beachcomber Resorts & Hotels is the pioneer and leader of the Mauritian tourism industry. Since the creation of Park Hotel in 1952, a collection of 11 resorts have emerged over the years, including the mythical Royal Palm Mauritius in 1985, considered by everyone as the reference in hospitality for luxury holidays in Mauritius.

Beachcomber has exported the tradition of Mauritian hospitality beyond the shores of the island, with the launching of Sainte Anne Resort & Spa in Seychelles, in 2002.

The Group is presently expanding its collection, with the integration of the Beachcomber French Riviera Resort & Spa, situated on the Côte d'Azur, in France.

The collection of 10 resorts affords a choice of accommodation options ranging from rooms and apartments to suites and villas. Each hotel is imbued with a particular history and cachet, embodying an image of discrete luxury.

Social responsibility – Fondation Espoir Développement (FED), by Beachcomber

Set up and financed by Beachcomber since 1999, with the participation of hotels and employees, this foundation takes care of these main projects:

- Projet Employabilité Jeunes (PEJ): professional insertion of school drop-outs through a training programme and industrial attachments.
- Collaboration with NGOs, schools and associations
- Regional projects – youth mentoring: the “Amour et Espoir” NGO; IT initiation; youth monitoring via the “Duke of Edinburgh International Award” programme, participation of regional sports clubs in the organisation of the Beachcomber UTRB Trail 2015

Social responsibility – Local Hands

Programme launched in 2006 to support small local artisans by providing them with training and guidance as they embark upon the process of creation, production, marketing and sales.

Sustainable development – our environmental actions – EarthCheck label

Sustainable development and environmental protection constitute real considerations within the Group, which has set up, amongst other initiatives, practices that ensure energy savings and favour renewable energy sources. These initiatives in favour of sustainable development have been recognised and rewarded, with two of our hotels recently obtaining the EarthCheck Benchmarked Bronze accreditation for their ongoing commitment to environmentally responsible practices.
