### **Royal Grill: a delicious starlit grill on the beach at Royal Palm**

Sitting at a table on one of the best beaches in the north of Mauritius and surrounded by torches underneath a starlit sky, guests at Royal Palm Beachcomber Luxury can enjoy a superb grill dinner menu prepared by Chef Michel de Mattéis every Thursday evening.

The Royal Grill has become a favourite among regular guests and first-timers alike at this legendary grand hotel. The evening has a special flavour and is a great opportunity for couples, families or groups of friends to share a pleasant moment in a chic yet informal atmosphere around a delicious meal in a truly magical setting. The menu varies depending on the season and is an invitation to enjoy some luscious and juicy grilled specialities. Homemade smoked fish, an ample choice of salads and mixed vegetables, a cold turmeric zucchini soup, a tabbouleh with fresh mint and calamari snacks with a touch of turmeric provide an appetizing introduction. These are followed by the catch of the day, freshwater Camaron shrimps, chicken satay skewers, Angus rib steaks, lamb chops and chicken 'Kalia', all served with white rice, a vegetable fricassee with lemon and a tasty choice of sauces and dressings.

For a sweet conclusion to this unique culinary experience, there is a selection of desserts for the true gourmards, from fruit skewers with vanilla glaze to the mango and coconut fondant and the pineapple and lime verrine with a lychee emulsion.

Epicures, young and old, will enjoy the delicate flavours as well as the warm and convivial atmosphere of the Royal Grill!

#### About Beachcomber

Beachcomber Resorts & Hotels is the pioneer and leader of the Mauritian tourism industry. Since the creation of Park Hotel in 1952, a collection of 11 resorts have emerged over the years, including the mythical Royal Palm Mauritius in 1985, considered by everyone as the reference in hospitality for luxury holidays in Mauritius.

Beachcomber has exported the tradition of Mauritian hospitality beyond the shores of the island, with the launching of Sainte Anne Resort & Spa in Seychelles, in 2002.

The Group is presently expanding its collection, with the integration of the Beachcomber French Riviera Resort & Spa, situated on the Côte d'Azur, in France.

The collection of 10 resorts affords a choice of accommodation options ranging from rooms and apartments to suites and villas. Each hotel is imbued with a particular history and cachet, embodying an image of discrete luxury.

- Collaboration with NGOs, schools and associations
- Regional projects – youth mentoring: the “Amour et Espoir” NGO; IT initiation; youth monitoring via the “Duke of Edinburgh International Award” programme, participation of regional sports clubs in the organisation of the Beachcomber UTRB Trail 2015

*Social responsibility – Local Hands*

Programme launched in 2006 to support small local artisans by providing them with training and guidance as they embark upon the process of creation, production, marketing and sales.

*Sustainable development – our environmental actions – EarthCheck label*

Sustainable development and environmental protection constitute real considerations within the Group, which has set up, amongst other initiatives, practices that ensure energy savings and favour renewable energy sources. These initiatives in favour of sustainable development have been recognised and rewarded, with two of our hotels recently obtaining the EarthCheck Benchmarked Bronze accreditation for their ongoing commitment to environmentally responsible practices.
