

## **PARADIS VILLAS GET A NEW LOOK AND FEEL**

Reopening mid-November 2018, the vibrant, high-end villas at Paradis Beachcomber Golf Resort & Spa on Le Morne Peninsula will provide guests with a true home-away-from-home experience.

With a beautiful lagoon just a few steps away, the 12 Paradis Villas, fresh and inviting, will treat its guests with an absolute sense of belonging.

The new colours and textures embody the spirit of stress-free tropical island-style living. The villas are dressed in fresh shades of beige and white, with accents that hint of the surrounding natural vegetation and the sea, emphasizing the synergy between indoor and outdoor spaces.

The nature theme is incorporated throughout the interior, from the entrance and bathroom screens to the cushioning and furniture to add an air of calm, comfort, and a relaxed vibe.

Upon completion, the refurbished villas will each provide the perfect setting for a family of up to 6 persons to enjoy a fun, light and happy vacation.

About Beachcomber

Beachcomber Resorts & Hotels is the pioneer and leader of the Mauritian tourism industry. Since the creation of Park Hotel in 1952, a collection of 9 resorts have emerged over the years, including the mythical Royal Palm Beachcomber Luxury Mauritius in 1985, considered by everyone as the reference in hospitality for luxury holidays in Mauritius.

---

The Group recently expanded its collection, with the integration of the Beachcomber French Riviera, situated on the Côte d'Azur, in France.

The collection of 9 resorts affords a choice of accommodation options ranging from rooms and apartments to suites and villas. Each hotel is imbued with a particular history and cachet, embodying an image of discrete luxury.

*Social responsibility – Fondation Espoir Développement (FED), by Beachcomber*

Set up and financed by Beachcomber since 1999, with the participation of hotels and employees, this foundation takes care of these main projects:

- Projet Employabilité Jeunes (PEJ): professional insertion of school drop-outs through a training programme and industrial attachments.
- Collaboration with NGOs, schools and associations
- Regional projects – youth mentoring: the “Amour et Espoir” NGO; IT initiation; youth monitoring via the “Duke of Edinburgh International Award” programme, participation of regional sports clubs in the organisation of the Beachcomber UTRB Trail 2015

*Social responsibility – Local Hands*

Programme launched in 2006 to support small local artisans by providing them with training and guidance as they embark upon the process of creation, production, marketing and sales.

*Sustainable development – our environmental actions – EarthCheck label*

Sustainable development and environmental protection constitute real considerations within the Group, which has set up, amongst other initiatives, practices that ensure energy savings and favour renewable energy sources. These initiatives in favour of sustainable development have been recognised and rewarded, with two of our hotels recently obtaining the EarthCheck Benchmarked Bronze accreditation for their ongoing commitment to environmentally responsible practices.
