
WATER AND LAND SPORTS – WOVEN INTO BEACHCOMBER'S DNA
Stay fit and boost your health and wellbeing when you holiday in Mauritius with Beachcomber.

Offering a multitude of complimentary land and water sports at all resorts, including free water skiing, a well-deserved break with Beachcomber in Mauritius promises a beautiful backdrop for combining fit and healthy with the holiday of your dreams.

Home to the largest sports academy in the Indian Ocean, in terms of space, training equipment and staff, Beachcomber Resorts & Hotels features eight sports centres, with fitness and cardio facilities and weight rooms, group aqua-gym, aerobic and yoga sessions, nearly 40 tennis courts, plus petanque grounds, football fields and volleyball courts, and dedicated and professional teams for the best support and advice at our golf academy, scuba diving academy and tennis school.

"Spend your days relaxing at the pool or on the beach, or indulge your inner adrenalin junkie packing a myriad of land and water activities into your holiday, on your own or with your travel companions. For lovers of the land, there's our tailor-made golfing experience at four golf resorts, with a complete golf offering across the island thanks to our partnership with Mont Choisy Le Golf and other golf courses. For water babies, Beachcomber offers a wide range of activities free for adults and children to enjoy, including water skiing, stand-up paddle boarding, sailing, windsurfing, pedalo, kayaking and Hobie cats," says Nicolas Staub, Head of Sales.

In addition, Beachcomber Resorts & Hotels delivers a special journey to another world through its scuba diving experiences. Each resort features a scuba diving centre with qualified and experienced instructors, offering first dives in the resort's pool and in the lagoon, night dives and even family group dives, including children from 10 years of age, with customised equipment.

"Where better to dive right into the holiday of a lifetime, than in Mauritius? Our family scuba diving courses are conveniently offered within the hotel grounds and offered in a host of languages. All our dive sites are also located within close proximity to the hotel dive schools. Each dive experience takes approximately two hours so guests will never be away from their loved ones who stayed on land for very long," add Nicolas Staub.

At Victoria Beachcomber, a Diving Academy, set within the hotel grounds, is the only one in Mauritius to be certified with a PADI Green Star Award. At Dinarobin Beachcomber, we also have

a kitesurf school affiliated to the International Kitesurf Organisation and the French Kitesurf Association.

Using the spectacular Mauritian landscape as inspiration, the award-winning brand hosts an array of outdoor events to get sports' enthusiasts' hearts racing.

The Mauritius Tour Beachcomber (MTB) held in May attracts eager cyclists who saddle up to tackle the challenging and beautiful mountain, forest and coastal terrain on mountain bikes. For trail runners, the Ultra Trail Raidlight Beachcomber (UTRB) comprises a set of trail runs geared towards power-sports enthusiasts. Held every July, this spectacular sporting event tests physical endurance against the backdrop of a breath-taking landscape.

Details of Beachcomber's blockbuster sporting events can be viewed [here](#).

Beachcomber's eight beautiful properties in Mauritius are providing water and land activities for guests seeking to balance their relaxing holiday break with wellness, sports and fun activities.
