### **An exceptional collection of four golf resorts**

With its vast spectrum of distinct courses, Mauritius is the #1 destination for golf amateurs.

Beachcomber Resorts & Hotels brings to its guests a tailor-made golf experience. The Group offers an exceptional collection of four golf resorts: Paradis Beachcomber, Dinarobin Beachcomber, and since November 1st, the Trou aux Biches Beachcomber and Canonnier Beachcomber. Following a partnership with Mont Choisy Le Golf, these two resorts have complemented the Group's golf package. Beachcomber guests now have access to the unique 18-hole course in the north of the island.

This special partnership with Mont Choisy Le Golf is an opportunity for the Beachcomber guests to hone their swing on this 6 245 metres Par 72 championship golf course. There is more! They can also take advantage of the personalised welcome, the possibility of advance booking of the most popular 'tee-offs' slots at preferential rates, and have access to shuttles from Canonnier Beachcomber and Trou aux Biches Beachcomber.

In October, the Group appointed Sebastien Espitalier-Noël as Golf Operations Manager of Trou aux Biches Beachcomber Golf Resort & Spa and Canonnier Beachcomber Golf Resort & Spa in an effort to allow all guests to fully experience this golf adventure. As a golf and sports enthusiast, Sebastien's mission is to organise specific services, manage the reservations of golfers and the shuttle service.

« Trou aux Biches Beachcomber offers an exceptional programme for golfers with diverse activities on a daily basis. A private green putting is also available to the hotel guests allowing confirmed golfers and beginners alike to practice before a game at Mont Choisy Le Golf, » explains the Golf Operations Manager.

"My aim is to be available for the golfers, to offer them a customized service, to work closely with Mont Choisy Le Golf and to develop the golf package within the Beachcomber Group," adds Sebastien.

In addition to a privileged access to this splendid green designed by renowned South-African golf architect Peter Matkovich, Beachcomber Resorts & Hotels now offers dedicated accommodation for golfers: Golf Suites at Dinarobin Beachcomber and Trou aux Biches Beachcomber.

Guests opting for the Golf Suites shall have access to a free green fee per day, a golf cart but also, for a minimum stay of six nights, a one-hour massage at the Spa Beachcomber is offered.

#### About Beachcomber

Beachcomber Resorts & Hotels is the pioneer and leader of the Mauritian tourism industry. Since the creation of Park Hotel in 1952, a collection of 11 resorts have emerged over the years, including the mythical Royal Palm Mauritius in 1985, considered by everyone as the reference in hospitality for luxury holidays in Mauritius.

Beachcomber has exported the tradition of Mauritian hospitality beyond the shores of the island, with the launching of Sainte Anne Resort & Spa in Seychelles, in 2002.

The Group is presently expanding its collection, with the integration of the Beachcomber French Riviera Resort & Spa, situated on the Côte d'Azur, in France.

The collection of 10 resorts affords a choice of accommodation options ranging from rooms and apartments to suites and villas. Each hotel is imbued with a particular history and cachet, embodying an image of discrete luxury.

#### *Social responsibility – Fondation Espoir Développement (FED), by Beachcomber*

- Collaboration with NGOs, schools and associations
- Regional projects – youth mentoring: the “Amour et Espoir” NGO; IT initiation; youth monitoring via the “Duke of Edinburgh International Award” programme, participation of regional sports clubs in the organisation of the Beachcomber UTRB Trail 2015

#### *Social responsibility – Local Hands*

Programme launched in 2006 to support small local artisans by providing them with training and guidance as they embark upon the process of creation, production, marketing and sales.

#### *Sustainable development – our environmental actions – EarthCheck label*

Sustainable development and environmental protection constitute real considerations within the Group, which has set up, amongst other initiatives, practices that ensure energy savings and favour renewable energy sources. These initiatives in favour of sustainable development have been recognised and rewarded, with two of our hotels recently obtaining the EarthCheck Benchmarked Bronze accreditation for their ongoing commitment to environmentally responsible practices.
