
Beachcomber Weekend Tour Operator: Travel professionals discover what's new at Beachcomber Resorts & Hotels

Between the 26th and the 28th of January, Beachcomber Resorts & Hotels played host to some twenty travel professionals representing the German market's most important tour operators. This Eductour is held annually in the aim of introducing the new services and products that Beachcomber has to offer.

This year's event, which was organised by Beachcomber Resorts & Hotels German office, included a number of hotel visits. The guests were invited to discover the Royal Palm Beachcomber; the Canonnier Beachcomber, which reopened last September; and the Trou aux Biches Beachcomber, among others. Their itinerary also included a stop at the Victoria For 2, a cosy new venue dedicated to couples staying at the Victoria Beachcomber. The invitees' also sampled the menu at the hotel's steak house the Morris Beef.

In addition to discovering the new services and facilities on offer within the hotels, the "Beachcomber Week-end TO" included a wide variety of other activities, such as a putting "tournament" at Trou aux Biches Beachcomber, a tour of the golf course at Mont Choisy Le Golf, and a sunset cruise aboard a catamaran.

Ocean lovers were also offered an exclusive opportunity to discover the treasures of the deep thanks to the Beautiful Discovery, a literal immersion into the heart of a lagoon teeming with tropical fish and other marine species.

To conclude the weekend in style, a gala dinner was held at the Cannonier Beachcomber to the delight of the participants.

About Beachcomber

Beachcomber Resorts & Hotels is the pioneer and leader of the Mauritian tourism industry. Since the creation of Park Hotel in 1952, a collection of 9 resorts have emerged over the years, including the mythical Royal Palm Beachcomber Luxury Mauritius in 1985, considered by everyone as the reference in hospitality for luxury holidays in Mauritius.

The Group recently expanded its collection, with the integration of the Beachcomber French Riviera, situated on the Côte d'Azur, in France.

The collection of 9 resorts affords a choice of accommodation options ranging from rooms and apartments to suites and villas. Each hotel is imbued with a particular history and cachet, embodying an image of discrete luxury.

Social responsibility – Fondation Espoir Développement (FED), by Beachcomber

Set up and financed by Beachcomber since 1999, with the participation of hotels and employees, this foundation takes care of these main projects:

- *Projet Employabilité Jeunes (PEJ)*: professional insertion of school drop-outs through a training programme and industrial attachments.
- Collaboration with NGOs, schools and associations
- Regional projects – youth mentoring: the “Amour et Espoir” NGO; IT initiation; youth monitoring via the “Duke of Edinburgh International Award” programme, participation of regional sports clubs in the organisation of the Beachcomber UTRB Trail 2015

Social responsibility – Local Hands

Programme launched in 2006 to support small local artisans by providing them with training and guidance as they embark upon the process of creation, production, marketing and sales.

Sustainable development – our environmental actions – EarthCheck label

Sustainable development and environmental protection constitute real considerations within the Group, which has set up, amongst other initiatives, practices that ensure energy savings and favour renewable energy sources. These initiatives in favour of sustainable development have been recognised and rewarded, with two of our hotels recently obtaining the EarthCheck Benchmarked Bronze accreditation for their ongoing commitment to environmentally responsible practices.
