
TripAdvisor recognises Beachcomber's excellence

Six Beachcomber Resorts & Hotels' properties have been awarded the 2018 TripAdvisor Certificate of Excellence for having consistently received strong praise and ratings from travellers.

Beachcomber hotels have been regularly presented with this TripAdvisor badge of honour since its introduction in 2011. This year again, travellers forming part of the world's leading travel website's community have expressed their renewed confidence in Dinarobin Beachcomber Golf Resort & Spa, Paradis Beachcomber Golf Resort & Spa, Trou aux Biches Beachcomber Golf Resort & Spa, Shandrani Beachcomber Resort & Spa, Canonnier Beachcomber Golf Resort & Spa and Mauricia Beachcomber Resort & Spa.

The Certificate of Excellence is given only to approximately 10% of hospitality businesses on TripAdvisor that have consistently achieved great reviews over the past year. There is no application process and recipients are determined using an algorithm that primarily takes into account the quality, quantity, and recency of user reviews, as well as the tenure of the business on the site.

Earlier this year, Royal Palm Beachcomber Luxury was named among TripAdvisor's 10 best luxury hotels in Mauritius in the 2018 Travelers' Choice Awards. Victoria Beachcomber was also ranked among the 25 best hotels for families in Africa.

Established in 2002, the Travelers' Choice Awards are based on millions of traveller reviews and opinions from around the world. They honour the world's best hotels for service, quality and customer satisfaction. TripAdvisor has received more than 500 million reviews and opinions over the past 15 years and over 390 million travellers use the site each month.

These accolades from TripAdvisor's global community of travellers inspire and motivate the Beachcomber Artisans to maintain and continuously improve on service excellence.

About Beachcomber

Beachcomber Resorts & Hotels is the pioneer and leader of the Mauritian tourism industry. Since the creation of Park Hotel in 1952, a collection of 9 resorts have emerged over the years, including the mythical Royal Palm Beachcomber Luxury Mauritius in 1985, considered by everyone as the reference in hospitality for luxury holidays in Mauritius.

The Group recently expanded its collection, with the integration of the Beachcomber French Riviera, situated on the Côte d'Azur, in France.

The collection of 9 resorts affords a choice of accommodation options ranging from rooms and apartments to suites and villas. Each hotel is imbued with a particular history and cachet, embodying an image of discrete luxury.

Social responsibility – Fondation Espoir Développement (FED), by Beachcomber

Set up and financed by Beachcomber since 1999, with the participation of hotels and employees, this foundation takes care of these main projects:

- Projet Employabilité Jeunes (PEJ): professional insertion of school drop-outs through a training programme and industrial attachments.
- Collaboration with NGOs, schools and associations
- Regional projects – youth mentoring: the “Amour et Espoir” NGO; IT initiation; youth monitoring via the “Duke of Edinburgh International Award” programme, participation of regional sports clubs in the organisation of the Beachcomber UTRB Trail 2015

Social responsibility – Local Hands

Programme launched in 2006 to support small local artisans by providing them with training and guidance as they embark upon the process of creation, production, marketing and sales.

Sustainable development – our environmental actions – EarthCheck label

Sustainable development and environmental protection constitute real considerations within the Group, which has set up, amongst other initiatives, practices that ensure energy savings and favour renewable energy sources. These initiatives in favour of sustainable development have been recognised and rewarded, with two of our hotels recently obtaining the EarthCheck Benchmarked Silver accreditation for their ongoing commitment to environmentally responsible practices.
