

Trip Advisor Travelers' Choice Awards 2019: Victoria Beachcomber Resort & Spa rewarded

Beachcomber Resorts & Hotels is proud to announce that Victoria Beachcomber is among the winners of TripAdvisor's Travelers Choice Awards 2019 - TripAdvisor being the most visited travel website in the world.

The four-star resort made it to the 'Top 25 Hotels for Families' in Africa for the fourth consecutive year. This award is largely credited to the artisans who work relentlessly to offer a top-class service to their clients.

Located in the north of Mauritius, Victoria Beachcomber is the ideal resort for families with different spacious rooms that allow parents to share their room with their children.

At the very heart of the resort lies a special corner for children of all ages:

- The Kids Club hosts children between the ages of 3 and 11, and is located on the beach. The space offers a series of thematic activities: Be Creative, Be Together, Be Local, Be Eco-Friendly or Be Sporty. The activities include fun stuff like observing the fish in the lagoon, treasure hunt and cookery class.
- The spacious Teens Club features modern games with pool table, baby-foot and ping-pong. Ideal for teens between the ages of 12 and 17, the space favours knowledge sharing through specific activities whether it is free diving, tennis tournaments or shooting of short films.

Victoria Beachcomber is determined to ensure that its young clients make the most of their holidays and proudly invites them to join the Teens Club Beachcomber, a free and innovative mobile application that allows them to share their activities, communicate among themselves and with the animation staff, locate each other within the resort and get together among young people.

A fully equipped baby-feeding area is also available for 1 to 3-year-old toddlers with nursery table, bottle warmer, sterilizer, and a baby's menu, to name a few.

To give families extra flexibility and more value for money, some meal plans are offered at a discounted rate for 12 to 17-year-old, while children below 11 years of age eat for free. During the low season, children up to 17 years old enjoy complimentary meals and accommodation when sharing room with their parents.

Victoria Beachcomber, with its fantastic choice for families, remain an ideal address when travelling to Mauritius!

About Beachcomber

Beachcomber Resorts & Hotels is the pioneer and leader of the Mauritian tourism industry. Since the creation of Park Hotel in 1952, a collection of 9 resorts have emerged over the years, including the mythical Royal Palm Beachcomber Luxury Mauritius in 1985, considered by everyone as the reference in hospitality for luxury holidays in Mauritius.

The Group recently expanded its collection, with the integration of the Beachcomber French Riviera, situated on the Côte d'Azur, in France.

The collection of 9 resorts affords a choice of accommodation options ranging from rooms and apartments to suites and villas. Each hotel is imbued with a particular history and cachet, embodying an image of discrete luxury.

Sustainable development – our environmental actions – EarthCheck label

Sustainable development and environmental protection constitute real considerations within the Group, which has set up, amongst other initiatives, practices that ensure energy savings and favour renewable energy sources. These initiatives in favour of sustainable development have been recognised and rewarded, with two of our hotels recently obtaining the EarthCheck Benchmarked Silver accreditation for their ongoing commitment to environmentally responsible practices.
